ALL ABOUT ME

M S . M C C A R T H Y

I would love to tell you a little about myself. I was born in Rockville Centre and lived there for many years. I attended Siena College in Loudonville, NY where I received my Bachelor of Arts Degree in English. I more recently attended Molloy College in Rockville Centre, NY and received my Masters of Education in grades 1-6 as well as received my certification in Students with Disabilities in grades 1-6 and my Professional Certification in Elementary Education Grades 1-6. I have a Masters plus an additional 60 credits.

I LOVE teaching and have learned so much from the students I have worked with in past experiences. This will be my fourteenth year at Quogue!

My son Austin turned 9 this August, and my daughter Allie is 7! I enjoyed spending time with both of my kids this summer. Reading is also one of my favorite activities. I also love the beach, exercising, and spending a lot of time with friends and family.

I cannot wait to hear all about each and every one of you! I really want to know what you like, what excites you and what you are interested in. Also, I'm excited to hear about your summer!

I am ready to have a fun-filled and educational year with all of you! Have a great rest of the summer!
