

Quogue U.F.S.D. Website Accessibility Statement

General

The Quogue U.F.S.D. strives to ensure that its services are accessible to people with disabilities. Our district has invested a significant amount of resources to help ensure that its website is made easier to use and more accessible for people with disabilities, with the strong belief that every person has the right to live with dignity, equality, comfort and independence.

Accessibility

The district website makes available the [UserWay Website Accessibility Widget](#) that is powered by a dedicated accessibility server. The software allows quogueschool.com to improve its compliance with the Web Content Accessibility Guidelines (WCAG 2.0).

Enabling the Accessibility Menu

The quogueschool.com accessibility menu can be enabled by clicking the red accessibility menu icon that appears on the right side of the page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

Disclaimer

The district website continues its efforts to constantly improve the accessibility of its site and services in the belief that it is our collective moral obligation to allow seamless, accessible and unhindered use also for those of us with disabilities.

Despite our efforts to make all pages and content on quogueschool.com fully accessible, some content may not have yet been fully adapted to the strictest accessibility standards. This may be a result of not having found or identified the most appropriate technological solution.
